

ICAPE Group press release

Since 1999, ICAPE Group has a long experience in the production of Printed Circuit Boards and Customized Technical Parts manufactured in China. **In more than 70 countries, 1700 customers trust the quality services and offer of the group.**

Each month, ICAPE Group delivers 22 million PCBs and 5 million Technical Parts. In 2018, ICAPE Group achieved **a revenue of EUR 125M** and aims for 20% growth in 2019.

With its teams of 350 people worldwide and 75 strategic partners in Asia, 25 in Printed Circuit Boards and 50 in Technical Parts, ICAPE Group brings the best supply solutions. The Services Office, located in China, is staffed by 185 highly qualified employees.

Our global sales organization allows us to be closer to the production plants and to satisfy your needs in Printed Circuit Boards and Technical Parts, with the best quality/ price/service ratios, while respecting the ethical charter established by the group on all its partners.

Our main mission is to guarantee a quality service throughout the entire process: from quotation to delivery to any customer anywhere around the world.

ICAPE Group is focused on developing its online presence and continues to better serve its customers. If you want to buy Printed Circuit Boards online, connect to www.icapeshop.com. You can order Customized Technical Parts online at www.cipemshop.com.

ICAPE Group marks another milestone by joining forces with DIVSYS International, based in Indianapolis, USA. DIVSYS brings US-based technical expertise in PCB and PCBA, coupled with a quality assurance laboratory and rapid prototyping assembly to a world-class PCB sales organization, ICAPE Group.
